

**E-ZPass Virginia
Customer Service Center
Special Vehicle Listing: Restrictions Apply**

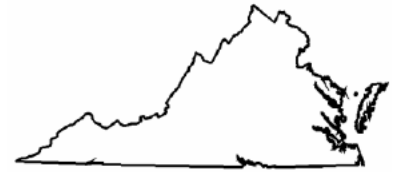

The vehicles listed below are equipped with special windshields that contain metal in the glass that prevents the E-ZPass tag from being read properly. *Note: This list contains only documented vehicles with special windshields. Other vehicles may have the windshield features but not appear on this list.* If you are unsure about whether your vehicle has one of these windshields, consult your Owner's Manual or contact the dealer where you purchased your car. This vehicle list may change. If you have any questions regarding your vehicle, please call the E-ZPass Virginia Customer Service Center at: **877-762-7824.**

An LPT (License Plate Tag) may be required on the following vehicles equipped with a windshield that prevents use of a standard E-ZPass. Please consult your Owner's Manual.
